Step 1. 1<sup>st</sup> Layer: With the long edge at the top of your Scor-Pal, score at 2 1/8" and 4 1/4". Crease along the fold lines and flip over to the right.

Step 2. Add Scor-Tape to the right hand flap.

Step 3. Remove the backing paper and fold the flap over.

Step 4. Attach your ribbon, folded in half, with a piece of Scor-Tape.

Step 5. Attach this piece to your card base.

Step 6. 2nd layer: With the long edge at the top, score at 4 1/2". Fold along the score, so that the long edge is on the bottom and the opening is on the left.

Step 7. Add your patterned paper. I left the bottom part blank, so I could stamp my message, but if you wanted to add patterned paper to that section cut it at 3" x 4 1/4".

Step 8. Punch a small slit or circle for your ribbon to pass through to tie.

Step 9. Add your decorations and embellishments. To close, fold in the left flap and then the right flap. Slip one end of the ribbon through the hole and tie.
