

Wedding Chair

Original design by Kitty Franken

<http://kittyfranken.blogspot.com/>

Template sheet by Penny Wessenauer

Instructions

Chair box bottom:

- Cut cardstock to 15 cm x 22 cm.
- Score vertically at 5 cm and 10 cm.
- Score horizontally at 2 cm, 7 cm, 12 cm, and 17 cm.
- Cut the horizontal score lines as shown.
- Cut and remove portions as indicated on diagram.
- Attach 1/8 inch wide Scor-Tape to inside surface as shown on diagram below.
- Fold on scored lines. With Scor-Pal bone folder, press the folds to reinforce.
- Assemble chair box bottom as follows:
 - Peel off backing from Scor-Tape. Fold Bottom Side Flaps in, then Back Side Flaps, followed by folding the Front Side Flaps, adhering all with the Scor-Tape.
 - Lastly close box by folding down the top of the box and inserting the Top Flap inside.

Chair back:

- Cut cardstock to 5 cm x 13 cm. Round top corners using a corner round punch.
- Punch chair back using a large floral punch, or a small oval die cut.
- Attach 1/8 inch Scor-Tape as shown on diagram.
- Peel off backing from Scor-Tape and attach chair back to chair box bottom.
- Decorate as desired with paper flowers and stickers of choice.
- Cut length of ribbon and tie in a bow around chair bottom as shown.
