Supplies:

Scor-Pal®

Cardstock 5 1/4" x 8 1/2"

Decorator Paper

Slit Punch

1/16" Hole Punch

Brad

Ribbon

Step 1:

With the 8 1/2" length along the top of the Scor-Pal® score at 2 1/8" and 6 3/8". The grooves are marked with a little dot. Refer to diagram. Fold and set crease with your Scor-Tool.

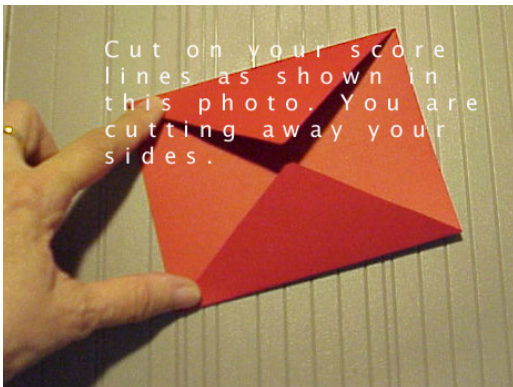

This is a gate fold.

Step 2:

Turn the card on the diagonal aligning both points to the same groove and score.

Step 3:

Cut on your score lines as shown in the photo. You are cutting away the sides.

Step 4:

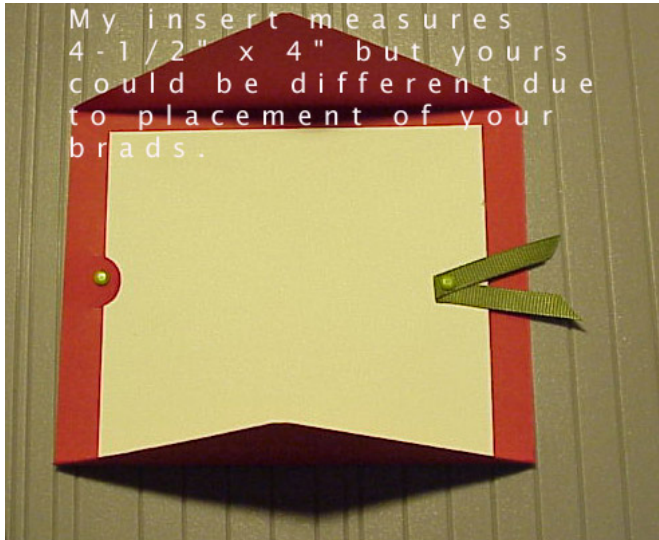

Use the slit punch to create a stop for your insert.

Step 5:

With your 1/16" punch make a hole for your brad.

Step 6:

Cut an insert for your card. The one in the photo is 4 1/2" x 4".

Diana: When I made my card my insert was 3 3/4 x 4 3/4".

Step 7:

Decorate your card as desired. Stamp or write a message inside.
