## **Supplies:**

Scor-Pal®

Scor-Tape™

Pink cardstock 8 1/2" x 11"

Ribbon

SU Designer Label Punch

Paper Trimmer

Velcro circle

Stamps, ink, embellishments

## **Step 1:**

Cut two pieces of card stock - 3 3/8 "x 7" and 5" x 11"

## **Step 2:**

**Score** smaller piece of cardstock at 1" and 6".

## **Step 3:**

**Score** 5" x 11" piece of cardstock at 3 1/2" and 8 1/2".

## **Step 4:**

Fold in the tabs on the smaller piece, commit your crease with the Scor-Tool to flatten fold. This is very important especially if you are using heavy double sided designer paper.

## **Step 5:**

Apply Scor-Tape™ or other strong double sided adhesive along tabs and right across back. Remove covering of tape from the tabs. Glue in place to the 3 1/2" portion of the 5" x 11" cardstock. Remove covering of tape on the back of the pocket.

## **Step 6:**

Remove covering of Scor-Tape™ on the back of the pocket. Fold up the pocket and ensure it makes a good bond.

**Step 7:**

Use a fun punch (designer label shown here - you could use a circle, square or scalloped shape) to create a place in the pocket which will allow you to pull out the CD easily.

**Step 8:**

Decorate cardstock inside and out. Corners can be rounded with corner rounder.

**Step 9:**

Punch out an extra tab and glue to the front flap. You will apply one piece of Velcro to the reverse side and another piece to the case so you can secure the flap closed.
