BELT: Place end at 3/8".
Score at 3 1/2", 7", and 7.333"
Repeat for Belt Layer.

Assembly

ASSEMBLY WALLET:

- Fold at all scores, firming with Scor-Tool
- Stamp wallet cardstock as desired.
- Adhere 3 Photo Covers facing alternating edges (Right, Left, Right), to the 3 largest available areas, using equal placement between scored lines.
- Stamp & embellish each as desired.
- Adhere the Photo Cover Layers in alternating colors inside the the Photo Covers.
- Stamp & embellish as desired.
- Add photos as desired to layers.
- The inside cover flaps may be used for journaling.

To close, fold wallet sections from bottom edge up 2 times.

Top flap will fold over half of the wallet. This will be secured by sliding on the finished belt in a vertical position.

Ribbon Tab:

Ribbon Step 1:

Use ½" – 1" Scor-Tape™ to secure leading end of ribbon to the opening end of the photo cover.

Ribbon Step 2:

Create first ribbon loop atop the leading end. Secure with Scor-Tape™.

Ribbon Step 3:

Repeat Step 2, using Scor-Tape™ to adhere.

BELT:

- Fold on the 3 score lines.
- Slide over completed wallet to check appropriate spot to seal ends together.

Adhere ends of belt with Scor-Tape™., top end adhered atop bottom end.

Use Scor-Tape™ to adhere desired embellishment, large flower, etc.

To close, fold wallet sections from bottom edge up 2 times.

Fold top flap over. This will be secured by sliding on the finished belt in a vertical position.

These Photo Wallets are excellent, well-received gifts at any time! Even non-scrappers enjoy creating and giving Photo Wallets! The theme is so easily changed according to the stamps and embellishments used on each wallet. Variations:

- *Use printed papers according to your theme.
- *Make a wallet as a token of remembrance of a special gathering.
- *These are excellent brag wallets for grandparents!

Enjoy making these wallets, knowing that your recipients are going to “love” receiving them!
