Step 1

Align the 4-2/4" side to the top fence, left side, at the 3/4" mark and score at 2".

Step 2

Move back to zero and score at 3-1/2".

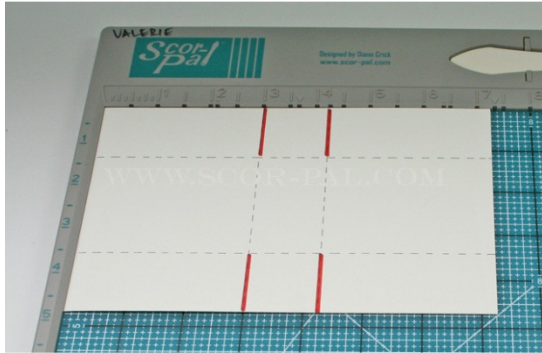

Step 3

Rotate 1/4 turn and align the 7-1/4" side to the top fence, left side, and score at 3 and 4-1/4".

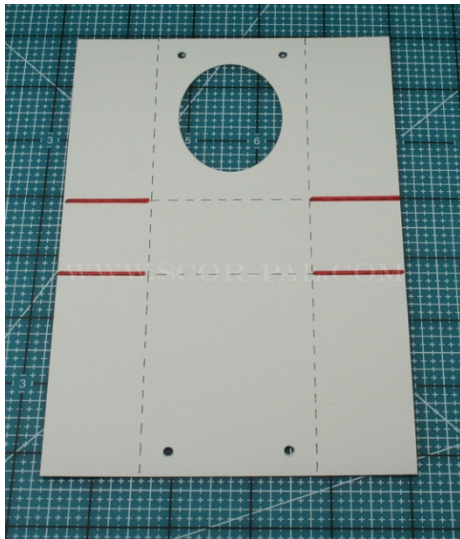

Step 4

Using a craft knife and metal edge ruler, or detail scissors, cut on the score lines as indicated by marker.

Step 5

Cut a circle shape into the center of the front panel. Additionally, using a hand held punch create 4 holes at the bag tops (to thread ribbon handles through later).

Step 6

Turn paper over and adhere transparency sheet using Glue Dots or Scor-Tape to oval cutout area. Attach Scor-Tape to each side flap.

Step 7

Pre-fold all scores. Remove Scor-Tape liner and adhere sides together to form bag shape. Thread ribbon through holes to create handles. Fill cello bag with candy, tie off with a ribbon, and insert into treat holder. Decorate as desired.
