Our Guest Instructor is **Judy Jackson**

Judy is a retired first grade school teacher who now lives in Pennsylvania. Most of her teaching career was at Schenectady Christian School in Scotia, NY. She has been interested in crafts her whole life. Judy has been stamping for about 10 years or so and enjoys learning new techniques and using different tools for the craft of stamping. She is active in her church. Judy has won prizes for her cards at conventions, stores, on-line contests, and other contests. She has also been published in Take Ten magazine. She has three grown children (2 daughters and one son), all are married and three beautiful granddaughters – ages: 19 month and 4 month old twin girls.

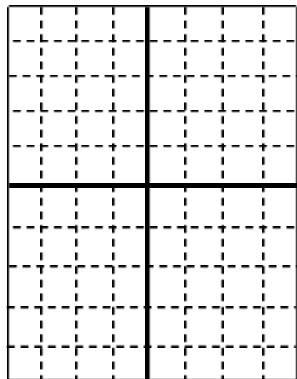

**Grid Card**

**Grid and Reverse Grid:**

1" 2" 3" 4" 6" 7" 8" and 9". Cut paper at 4" lengthwise and then at 5" across (solid black lines).

paper with left and top ruler fence. quarter turn, align as before. Score ready to be stamped. It resembles  
 ge. Score as above but use the unique.  
 els at once. Cut your card stock to side fence.  
 quarter turn. Score at lengthwise and then at 5" across
